Beverage Catering

Professional Catering

The following is a list of beverage caterers that have provided satisfactory beverage services at Homestead Meadows functions. Please contact them directly to make arrangements.

Self-Catering

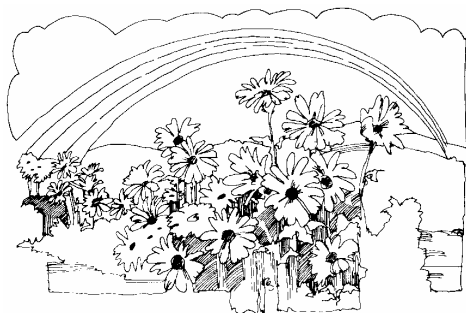

Please note that you can also self-cater beverage service. That is, you can purchase beverages anywhere you like, and serve it to your guests. Two rules apply with beverage self-catering:

1. Beverages must be served without collecting money; that is, you cannot have a cash bar, and
2. If you serve hard liquor (other than beer, wine, or champagne) you must have one or more bar tenders, depending on the size of your group.

Hard Liquor Service

Also note that hard liquor service at Homestead Meadows needs to end at 10PM. We actually recommend hard liquor service only for a two hour period – between the ceremony and reception or for just another hour after the dinner hour.
