Phone: (920) 757-5217

## **Food Catering**

The following is a list of caterers—in alphabetical order—that have provided satisfactory food services at Homestead Meadows functions. Please contact them directly to make arrangements. All phone numbers have a 920 Area Code, except as noted.

## **Self Catering**

You can also self-cater meals, but be cautious. Cooking for a large group is a lot of work. It is also easy to end up cooking too much food, spending too much money in the process. Then there is the stress of worrying about how things will turn out. This is nothing you need on a day as important as a wedding day. The best chance for a successful self-catered meal is when someone in the family has commercial cooking experience.

Please remember that there are no kitchen facilities at Homestead Meadows. All food must be brought in ready to serve in suitable containers, with appropriate serving utensils—spoons, tongs, etc.
